Customer Reviews

"This verse is at once emotional and ruthless. And, nevertheless, coherent. What brings it together is its commitment, in all its modes, to richness of detail. This is the gorgeously specified detail of the world, in memory or before your eyes. At the same time, it is the detail of language, the unexpected, brilliantly audible twists of the way this person speaks to you." - Lambda Literary
In the old old days, Ryka Aoki would be tagged as some kind of prophet, and the thumbsucking masses, bewildered & flummoxed by her talking stories, would stone or torch her. Forged from the ceaseless grappling match with life, living, identity, obligations, duty, home & selfhood, the poems in this striking collection are a libretto of what survives, what is elusive, what transforms or transmogrifies, and what remains primal & elemental." --Justin Chin, Author of *Gutted*, and *Bite Hard*

"Sharp-eyed, witty, passionate and just, a lament for trans losses that is also somehow a celebration of life, this book made me cry and then laugh and then do something that was both at once. It is an important contribution to our literature and also that rare thing, a book of poetry you won't be able to put down." --Cat Fitzpatrick, Poetry Editor, Topside Press

Great book, great gift!

I'm not much of a poetry reader, and I'm trying to work on that, especially breaking from reading anything that would fall under the traditional poetry mould. This collection is beautiful and heartbreaking, a poignant collection featuring themes of loss, lamentation, remembrance, and survival. Each section flows into the next. Many different kinds of loss actually- the loss of trans lives, being abandoned by family and friends who can't deal with the poet's identity, and such, capturing the intra-community grief vividly. The forward was very touching as well. Definitely a collection to pick up.
