Synopsis

Tween Bible Puzzles is a reproducible book of Bible activities that can be used with Tweens in Transition or can be used as a stand-alone activity book for tweens. Customer Reviews

These puzzles are great for using in spare minutes after the regular lesson. The students can probably finish them at home or even in church (through the boring parts) if their parents will allow it. There are many different types of puzzles too; not just word search or crosswords and a very helpful index.
