Troublemaker

Synopsis

Hell has no fury like a woman scorned! Rewind ten years before: Two weeks before her wedding, Arnett Sawyer is dragged by her best friend into a nightclub to make a final run at her bachelorette days. This is not just any nightclub, it's an open atmosphere of perversion where anything between consenting adults can take place. Arnett has been led to believe that her fiancé, Yorick Benson is in Fort Lauderdale on a business trip, only to discover that he is frolicking in the same club she's been dragged into. And as if that isn't enough to incite madness, Yorick is doing more than simply frolicking with another woman. He is fully engaged in a forbidden act. Hurt, confused, and feeling the ultimate betrayal, Arnett's heart darkens with a ravenous lust for revenge. Fast forward ten years, in a twist of fate, the woman responsible for stealing Arnett's man that night at the club is about to be wed to the bishop of the church that Arnett attends with a man she married on the rebound. She sees the announcement on her Facebook feed: Rosalind Blue, getting married to Bishop Gary Benson. Rosalind may have truly turned her life around and is looking forward to her new life, but Arnett sees an opportunity not only to expose Rosalind's secrets, but to utterly annihilate any chance of her happiness. In line with her character, where she exploits people's private affairs for the enjoyment of her own misery, she unleashes her wrath. It is one thing when the church has marked her as a troublemaker, but when her own husband agrees, it is downright hell. But Arnett is determined to execute her plan and she has resolved that nothing and no one is bad enough to stop her. In this fast-paced, entertaining read by H. H. Fowler, you have not seen a troublemaker until you've met Arnett Sawyer!

I really enjoyed "Troublemaker" I couldn't put my tablet down, and it was a real shocker near the end. I enjoy reading your books cause you flip the script with ease lol Five stars always

I rate this book 5 star. Facebook can destroy a person's life. As people said you reap what you sow very true. The end is awesome

That book was really really good

We've all heard the saying, "God don't like ugly!" That is certainly true in this beautifully written story by Mr. Fowler. In it he writes about how the need for revenge can actually make a beautiful woman, Arnett truly "Ugly" inside. Her revenge actually guided her entire life from morning till night through social media and beyond. I was in the middle of reading one book, but stopped the moment this book was released, and it did not disappoint! You have another hit Mr. Fowler!!! I loved how you gave us character updates at the end, however, I would love to see a part 2 of these characters developed in that brilliant mind of yours. WOW!!!! This story was so good!!!! Please give us a part 2, like in YESTERDAY!!!!

This is a good book about what unforgiving produces: bitterness, hatred and in Arnett's case a thirst for revenge. But with forgiveness there is healing, love and redemption --Will Gary and Rosalind find forgiveness? And will Arnett's husband fall into an unseen trap of confused twisted seduction? And who will reap what they sow in the end with force? H H Fowler you have done it again another winner--Blessings To You and Yours

I've read a few of Fowler's works and the one thing that stands out is there's a lesson to be learned. Unfortunately for this troublemaker, the need for revenge brought a very hard and debilitating one. I

love how Fowler used Facebook as the troublemaker's mode of operation. It gave her such a wide audience, increasing her thrill for bringing anyone down. She should have listened to all the warnings she was given, for surely what goes around comes around. Enjoyed this read. Highly recommended.

This book was interesting from beginning to end! The main character Annette wrecked havoc on everybody because of hurt, betrayal, bitterness and revenge. She was blinded with rage and used social media as a weapon that backfired. I hope there is a sequel with these characters

I HAVE READ MANY OF THIS AUTHOR'S BOOKS AND I ENJOYED THEM ALL. THEY HAVE GREAT STORYLINES AND GREAT CHARACTERS. BEST OF ALL THEY ARE CHRISTIAN WHICH I ENJOY MOST OF ALL. GIVE THEM A TRY.
