Customer Reviews

Cute but simply story, there aren't a lot of bilingual books out there for kids, so I was excited to find this one.

I am excited to find this series because my grandson has an American Papa and a German Mama, so this book is perfect for them to read to him. He is 16 months old, but understand everything in both languages.

Great gift

Gifted this for a 2 year old German American boy. The child's German mother told me that she planned on teaching her son both languages so I figured this would be a great book to have for their family. She was very happy to get it

Excellent book! Correct translations. Interesting story. Very good illustrations. Highly recommend!

EHm... terrible grammar and the story is bland at best.

Terrible layout, terrible writing, unimaginative story, cheap and bad quality print. One of "those books". Quick money maker for the printers, nothing a child would actually enjoy looking at or be read to.

Nice book as we head to the beach with our grandchildren and their parents.
