I bought this calendar for the first time for 2016. The pictures were absolutely beautiful -real cats being themselves - not the cutesy posed kitten in a basket. I also like the clear plastic stand that holds the pages. Much better display and much nicer than tearing off the old pages. Just take the page from the front and slide it in the back. It was so nice that I got one for my sister. This order was for the 2017 calendars for both of us. I'm planning on getting a couple more as Christmas gifts for a couple of cat lovers on my list.

BEAUTIFUL calendar... I would give this 5 stars EXCEPT they reuse a lot of images... I bought the

2015 edition and the 2017 edition and even 10 days into the year I am seeing a lot of repetition... so the moral of the story is you can really only enjoy it one year unless you have the memory of a goldfish. Plus I think it's cheap of the publisher to just reuse so many images.... they are lucky they are getting the 3 stars I am giving, that is all for quality of images and the fact I am crazy cat lady. ;)

The calendar itself is nice - photos are crisp and professional-looking. The only thing that I wish was different was the use of quotes for each day - you see cat-related quotes on some days, but more often than not you have silly remarks from the publisher on the pictures... for example:"An indoor dreamer imagines what the day holds in store." "The muse takes a moment to consider the finished masterpiece." "You never know what you might learn from a peek inside someone's shoe." Seriously... I'd rather have cat-related quotes or nothing than have these sorts of trite comments.

buy every year. Best calendar with cats in their natural moments, instead of fixed up with strange human decorations like hats and other silliness.

I like that the pictures used aren't typical "cute cat pictures", but weird shots of cats. For example, we'll get like a close up of a cat's butt, or a pissed off looking cat under a chair. I will add that Saturdays and Sundays are on one page.

These again are marvelous...I order them every year...a cat a day keeps the Doctor away(or something like that...)...I'll buy again this Summer or Fall for next year...purrrrrrrrfect for cat lovers...you can't go wrong...

We've had this calendar for 4 years and love it. The photos are beautiful. I am not a morning person, and changing the picture every morning (except Sundays, because Sat/Sun is one page) improves my mood significantly. We really enjoy the daily cat pictures. Also, the stand is very stable, so my cats haven't ever knocked it down - another bonus!

Purrrfect. Have one for current year and love the quality of the photos - from artistic photographs to the thick card stock. Ordered next year's because I know I'd miss seeing my daily cat picture once the current year is over.
