## Customer Reviews

Tips from Fodor's Hawai'i 2011 Click on the photos below to download printable guides from the travel experts at Fodor's. Great Itineraries Top Experiences Hawai'ian People and Their Culture Best Beaches

"In terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone, this series remains one of the best on the market." • "Booklist" "Fodor's super-informative guidebooks are known for accuracy and attention to detail" • "The Sacramento Bee" "The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions." • "Chicago Tribune" "The great detail, infectious spirit, and attractive format are

distinguishing traits of these guides, which are entries in one of the top series in the business."  
â "Booklist" "Fodor's can help you plan the perfect adventure" â "The Arizona Republic" "Always thoughtfully written and easily readable, Fodor's travel guides have become a must-have when traveling to unfamiliar destinations" â "Mid South Magazine" "Widely recognized as the gold standard of mainstream travel" â "Honolulu Advertiser"

This is a great book for planning a trip to Hawaii. We spent three weeks traveling between Kauai, Oahu, Maui, and the Big Island. It helped us establish a good general plan for the days we would be on each island. We hit all of the great spots the book recommended and were not disappointed. We enjoyed the individual island "Ultimate" series books (blue cover) when we were on the ground, because they were more specific and we liked the writer's honest opinions.

I really like the Fodor's Hawaii guide book. I previewed the book from our local library and decided that this would be a good book to take with us on our trip. I like the style of the entries and descriptions of activities and sights. It was useful for reviewing the lodging options because we needed to book in advance and the comparison of resorts was a helpful format to complement the resort websites and helped us to decide which was right for us.

Got it in advance of a trip to Hawaii. Great guide.

perfect in every way.

This book is too generic for my tastes. It tells you a little bit of information about a lot of different places, but doesn't do a very good job of rating places. I like the books that have a system that tells you something is a "must-see" or "great to see if you have time" or something like that. I also wish there were more tips about how busy beaches might be and more about the seasons. The book talks a lot about "if you go in Winter...." or "during the Summer..." but there isn't much about Spring or Fall. I also really like books that give you sample itineraries for different cities or the whole state-some even go so far as to tell you different types of itineraries. This doesn't have much of anything. Overall, it might be a good starting point, but is too general to actually be helpful.

This guidebook for Hawaii weighs a ton and is pretty similar to last year's copy, same cover photo, but for referencing this or that place it comes in handy. Every year we get the new edition to keep up

with the restaurant reviews. Their writers keep on top of that. We've been to all the islands except Lanai and usually gravitate to Maui or Oahu. The other guidebook we use as a resource for planning our outings is No Worries Hawaii which has pages and pages of the best beaches and hikes for all the islands. Both books offer plenty of advice for seasoned as well as first time travelers and we never run out of things to do since we are there for a good chunk of time.

Read 1/2 dozen books before our trip (from the library) and ordered the Frommer guide as it was clearly superior to this one.
