I bought this book for my class and when I opened it the first 60 pages were missing and now I'm trying to return this because this book is absolutely useless to me.

Good textbook. Great condition.

Just what we needed in class, and the arrival was just perfect, exactly 30 minutes before my class when I needed it. Thank you!

Good

I missed a lot of pages in this book. The first pages are written by pen and it's not possible to erase.
