## Synopsis

The battle for the crown has begun, but which of the three sisters will prevail? With the unforgettable events of the Quickening behind them and the Ascension Year underway, all bets are off. Katharine, once the weak and feeble sister, is stronger than ever before. Arsinoe, after discovering the truth about her powers, must figure out how to make her secret talent work in her favor without anyone finding out. And Mirabella, once thought to be the strongest sister of all and the certain Queen Crowned, faces attacks like never before—ones that put those around her in danger she can't seem to prevent. In this enthralling sequel to *Kendare Blake's* New York Times bestselling *Three Dark Crowns*, Fennbirn's deadliest queens must face the one thing standing in their way of the crown: each other.

## Customer Reviews

“Blake's already pitch-dark tale shades even darker. Exquisitely restrained prose, deliberate pacing, paying off in a tumultuous climax that piles one shocking twist upon another. Achingly gorgeous and gruesomely fascinating.” • (Kirkus Reviews (starred review)) “This sequel to *Three Dark Crowns* loses none of that book's momentum, powering toward a conclusion that leaves several doors open. With wonderfully drawn characters and a lethal, unpredictable plot, this follow-up will leave readers breathless as the queens' fates unfold.” • (ALA Booklist) “New exciting heights with a driving plot. Dark indeed, and exploring themes of loyalty, this is a thrilling

sequel with everything from action to romance to entice readers. A strong purchase for YA fantasy shelves. • (School Library Journal) • Three Dark Crowns is a brutal and inventive fantasy that is as addictive as it is horrifying. I can't begin to guess the fates of these three remarkable sister-queens, but I'm salivating like poisoners at a feast to find out what will happen next. • (Marissa Meyer, New York Times bestselling author of the Lunar Chronicles (on THREE DARK CROWNS)) • Full of mystery, intrigue, and deadly girls I wouldn't dare cross, Fennbirn is a darkly magical world I'm both drawn to and frightened by. In short, this is a book I could linger in for months, with three girls I am rooting for with all my heart. • (Megan Shepherd, New York Times bestselling author of The Cage series (on THREE DARK CROWNS)) • With exquisite world building and luminous detail, this is high fantasy at its best. The magic is fierce and the plot intensely twisted, but at this novel's dark heart beats a story about sisterhood, the unbreakable bonds of family, and ties that bind enough to kill. • (Booklist (starred review) (on THREE DARK CROWNS)) • The opener to a pitch-black epic fantasy series. Blake has constructed an insular, matriarchal society from convincing intimate details, vivid, complicated characters, [and] sumptuous, poetic prose. Gorgeous and bloody, tender and violent, precise, and passionate; above all, completely addicting. • (Kirkus Reviews (starred review) (on THREE DARK CROWNS)) • I loved this book. Blake's THREE DARK CROWNS is hypnotic, twisting, and beautiful...as satisfying as a drop of poison in an enemy's cup. • (April Genevieve Tucholke, author of Wink, Poppy, Midnight (on THREE DARK CROWNS)) • Readers will be riveted by Blake's ingenious world-building, stunning developments of main and supporting characters, and spiraling tensions. Highly recommended for fans of fantasy action thrillers with strong female leads, such as Victoria Aveyard's Red Queen and Sarah J. Maas's Throne of Glass series. • (School Library Journal (on THREE DARK CROWNS)) • Blake is a sure hand with complicated and intricate plots, and if that's not enough to make readers stick around for the next installment, the cliffhanger ending certainly will. • (Bulletin of the Center for Children's Books (on THREE DARK CROWNS)) • Blake establishes myriad side plots and relationships, builds complex characters, and leaves plenty of compelling avenues to explore in future books. • (Publishers Weekly (on THREE DARK CROWNS))
