These are old-fashioned love stories. Some are tales of childhood sweethearts, some of older long-married couples who rediscover their love for each other, some involve the traditional "boy meets girl, gets married, happily ever after" scenario. All are sweet and rather innocent, compared

to many stories today. They re-affirmed my faith in humanity and the ability of humans to love in a pure romantic way. I suppose your enjoyment of these stories will be linked to what you are looking for in a book of old-fashioned love stories -- I adored these. I suppose I could add, you would be comfortable giving this collection to your grandmother, or reading it to your children. There are a few classics in here, too, such as *Appointment With Love*, and Johnny Lingo's *Eight-Cow wife*. I highly recommend this collection. Here are the stories:

1. *Appointment With Love*, by S.J. Kishor
This is the classic tale of an army lieutenant who comes to love a woman he has never met -- and how he waits at Grand Central Station for the soulmate who will wear a red rose.
2. *The Man Who Played the Cymbals*, by Abbie Farwell Brown
The talented violinist-composer had lost his fingers in a terrible accident, and now he had lost his heart to the beautiful young star violinist.
3. *Mistress of the Bees*, by Nelia Gardner White
Molly yearned for the city. But young Oliver loved her.
4. *The Bashful Preacher*, by Neill Compton Wilson
The young preacher, Jay, had not told young Lorrel of his love for her the previous year when he visited her home -- and now he was asked to perform the wedding between Lorrel and her young love. But does Lorrel really love her betrothed?
5. *Home is the Sailor*, by Leon Ware
Ellen was an old-maid librarian, with a gift for loving the young children she worked with. And Bill Farrell was a grey-eyed sailor, who could see past Ellen's limp into her heart. But could Ellen see past her own limp?
6. *The Rocking Chair*, by PJ Plate
Molly loved her great-grandmother's rocker, a keepsake from her great-grandmother's thwarted young love. So why was this young carpenter so interested in buying her loved chair?
7. *Come to the Wedding*, by Jean S O'Connell
Lynn wanted desperately to impress her sweetheart Ted, as he came home to meet her family for the first time at her sister's wedding. She wanted desperately for her family not to embarrass her -- but could she really love someone who didn't love her family? And what about the young neighbor, Thatcher, who does?
8. *I Didn't Even Know Her Number*, by Arthur Milward
Arthur and Monika were gifted children at a special summer camp. They were inseparable. Until Monika was called away...
9. *Young Mrs. Richard*, by Grace S. Richmond
Judge Richard Hazleton refused to acknowledge his favorite grandson's bride, the daughter of his sworn enemy. Could anything change his mind?
10. *The Trouble with Arabella*, by Robert Bassing
Only one person could make Arabella laugh. Unfortunately, this person was not her groom.
11. *Latch the Door Lightly*, by Catharine Boyd
Carol and Tony were calling it quits after a child and a few years of marriage. But perhaps not...
12. *Johnny Lingo's Eight-Cow Wife*, by Patricia McGerr
Why did Johnny Lingo pay eight cows for his wife, when he could have bargained for less? This is the ultimate in classic love stories, about how love can reshape a person's identity.
13. *The Slip-Over Sweater*, by Jesse Stuart
Shan is in love with the most popular girl at school, although he walks to school every day

with his neighbor, Grace. Who will wear his sweater? And who comes through when he really needs a friend?14. The Green Dress, by Cathryn MillerMeredith was still in love with her husband, after 27 years of marriage. So why was he painting pictures of a beautiful woman into his artwork? And could her heart bear the pain?15. A Song From the Heart, by Mabel McKeeJeanne had a technically beautiful voice, but she was told, "There are many notes missing. I love collecting Joe Wheeler collections. This was a great addition.

great 1800"s stories... love the old time christmas stories at cival war times....

I purchased this book to find a story I had been looking for for a while, and got much more. Some of the best love stories around. (true ones) Not only that, I got it at a great price, and it was in excellent condition. The seller shipped it promptly. Would definetly do business with them again.

Have 14 Joe Wheeler books. Have never let one get by me. Thanks for this addition. mary ellen

I love anything Joe Wheeler compiles and this book is now one of my favorites. I liked the price too.

I was very dissapointed with this book. I bought two because my girlfriend and I read a story

together every night, but this book left us wondering how the story was actually a love story. These stories can hardly be considered of love, two or three of them are kinda nice, but most have depressing endings involving rejected proposals or mostly death. Dont be confused by the word love in the title, since its not what the stories are about.

Awesome stories, very inspirational. Joe Wheeler is a great author.
