# How To Be A Bad Bitch

## Synopsis

An edgy yet accessible "bad bitch" guide to life, love, and success from Amber Rose, renowned model, entrepreneur, and pop culture personality. Bad Bitch (n.): a self-respecting, strong female who has everything together. This consists of body, mind, finances, and attitude; a woman who gets her way by any means necessary. Amber Rose didn't let her early years in the tough neighborhood of South Philly keep her from achieving her star-studded goals. From the sets of music videos to high fashion runways and magazines to life at home with her beautiful son, Amber doesn't hesitate to command her personal stage with confidence, edge, attitude, and her own form of grace. For the first time, this renowned model, actress, socialite, pop culture maven, and self-proclaimed "bad bitch" is sharing her secrets on how to lead a powerful life in this edgy yet accessible guide to life, love, and success. With unparalleled candor, "Muva" pulls back the curtain on her roller coaster of a journey from a young trailblazer to a worldwide phenomenon - and it's this evolution that has influenced her intoxicating, authoritative outlook on life and love. Filled with expert advice and personal anecdotes, How to Be a Bad Bitch covers finances, career, love, beauty, and fashion while emphasizing confidence, positive self-acceptance, and authenticity. Above all, Amber delivers a message to all women in this fiercely fearless guide: work hard, love yourself, embrace your femininity and sexuality, and, most importantly, chase the best vision of you possible.

## Book Information

ASIN: B016J1O1FS

Best Sellers Rank: #19 in Books > Health, Fitness & Dieting > Beauty, Grooming, & Style > Style & Clothing #647 in Books > Audible Audiobooks > Health, Mind & Body > Self-Help #775 in Books > Self-Help > Motivational

## Customer Reviews

As a fan of Amber Rose, I was astonished (well, not \*entirely\* astonished) by how bad this book

was. Upon initially ordering the book, I was excited to hear autobiographical details of Amber's life - as well as her genuine advice on various topics. Most of the book is honestly unreadable. Although I obviously wasn't expecting the writing prowess of Steinbeck, it's written so badly that I feel like I'm reading one of my angsty diary entries from when I was in middle school. Also, the entire thing is triple-spaced and interspersed with blown-up iPhone selfies of Amber - stretching out one page of material into five pages. Additionally, the "advice" (if you can call it that) is awful. Amber is rarely honest in the book - she spends every other sentence telling the reader to "love themselves" and "be themselves" - the type of advice you've heard for years. It's hardly revolutionary - which is extremely disappointing - as Amber prides herself on blazing the trails for embracement of female sexuality. I wanted to hear her true and honest thoughts on this subject - and instead, we get some ghost-written cookie-cutter mantra that hardly pushes a PG rating. If you want an extremely large (and heavy) book filled with mediocre and pixelated iPhone photos of Amber interspersed with extremely vague feel-good compliments, then this is for you. If not, I can safely say you will be fine giving this a miss.

Though her writing is not necessarily complicated or understated, Rose strings together a book of useful tips and advice that derives from her own experience. This book was incredibly empowering and it was abundantly clear that she knew her audience. She was clear and concise. Though her advice was a bit cliché in some points, it created a learned attitude that comforted me in reading it.

I was expecting so much better out of this book so I was a bit disappointed. A biography would have been pretty interesting, but this was just full of little tips for women.

Trash. Pure trash.

It's more of her life story which is OK if that's why you ordered it but I wish she had more encouragement in the book.

Eh. A fun read for 20-somethings. If you're much older, none of this is likely to interest you that much.

Be yourself and find your own bad bitch. This book has so many bits of wisdom all written together with ease and grace -- I am loving it! I don't know if I can find mine but if I can it will be with the help

of Amber Rose in "How to Be a Bad Bitch" I'm getting this fresh and new.

Turned this little rosebud into a bad bitch
