Customer Reviews

Short but juicy. Thank you. Mr. Daneth.

wasn't as informative as I expected.

Robert Daneth you are right on the money. Try this method and you might win some of your money back. Using the playing cards was new to me. I have been doing this myself for years. My position one (p1) most frequent look back over the previous 59 draws and see what p1 frequents play with in p5? Lots of consistency to be found. Also p1 and p2 most frequent use as p1 several games have all 5 white balls 20 and above. P3 most frequent use in p3 and above P4 most frequent use in

p4P5 most frequent only use numbers in 50s .Robert thank you for writing this it is a method I have been using for years and I do win small prizes. Haven't hit big yet but working on it.

Very informative book. Just hope we all are winners. I guest if we do like he says in this book. We all would be millionaires. Lol! WHO knows it could happen. Think positive and it could happen. Read the book, think positive and happy winnings. Good Luck to all!

no good
