It covers a lot of important things I want my tween to know. The Bible verses are on point and has helped me communicate better with my 12 yr old. Every Saturday mornings will go to a coffee shop or restaurant to have breakfast and then we do this study. Sometimes we can spend 3 - 4 hrs together in deep conversation. Without gadgets or electronics to distract us! My daughter is the reserve type and won't easily talk about issues she is dealing with whether at school or home issues with her siblings. This book helped us get closer together and she was able to open up to me and we then can discuss and open up the word of God to help her. This study isn't supposed to be fast. Sometimes we'll only get 2 acronym at a time but we really dig in and discuss it. Somedays she has an attitude about going out and doing our study, but almost all the time once we get to our place and ordered and ate...she is ready to dig into the word of God and this book! It's really been a blessing to me as a mom who has and introvert as a child. Polar opposite of me!!! Lol

My 11 year old just devoured this book. She read it on her own and came to me with some of her thoughts on how it challenged her to look at her heart, several times while reading this. Wish I new which book to go to next. Hoping for more like this.

What can I say? This book is really keeping my 10-year-old's attention. She is having a great time reading it and filling out the answers I definitely recommend it for the young girl in your life.

My daaught absolutely LOVES this book. She just turned 12.

Great book to make my daughter learn to read a chapter book and understand what she read by answering questions. She likes it so much.

I really love this book,for my daughter, and she's growing to love it as well, and I believe every little girl should have it, keep up the great work guys.

I am doing this study with my granddaughters! It is so good

Great book. My twins are 10 and we read and talk about each chapter. It's easy for them to read, understand and gives them a way to grow closer in their relationship with God.
