The Mishap Lineage: Transforming Confusion Into Wisdom

Synopsis

All of us experience obstacles as part of our journey, in life and on the spiritual path. In many cases, we think of them as purely something unpleasant to overcome, or as a mistake that needs correcting. Here, Chögyam Trungpa takes a radically different approach to such obstacles, teaching that unexpected chaos, confusion, and emotional upheavals can actually be used as fuel for the journey—an energy that can transform confusion into sanity and wisdom. He illustrates this transformative principle through telling the lively history of the Trungpa tulku (a lineage within the Kagyā tradition of Tibetan Buddhism), of which he was the eleventh incarnation. Trungpa referred to his lineage as the "Mishap Lineage" because of the ups and downs and colorful lives that were typical of his predecessors, and true of his own life as well. The stories of the Trungpas are seen as a guide for the practitioner's journey and help us to understand how important lineage and community remain for us today.

Book Information

Paperback: 160 pages

Publisher: Shambhala (July 14, 2009)

Language: English

ISBN-10: 1590307135

ISBN-13: 978-1590307137

Product Dimensions: 6 x 0.2 x 9 inches

Customer Reviews

“The Mishap Lineage reads like a fresh message from reality, in the style of basic sanity. Within that message, Chögyam Trungpa provides simple, essential, and straightforward advice on how to build a sangha: Practice a lot, sit a lot.” —Tricycle Magazine

Chögyam Trungpa (1940–1987) —meditation master, teacher, and artist—founded Naropa University in Boulder, Colorado, the first Buddhist-inspired university in North America; the

Shambhala Training program; and an international association of meditation centers known as Shambhala International. He is the author of numerous books including Shambhala: The Sacred Path of the Warrior, Cutting Through Spiritual Materialism, and The Myth of Freedom.

Chogyam Trungpa's writing is a bit cumbersome but the content is worthwhile.

first class work from CTR

Interesting background on a great Buddhist teacher.

Excellent!
