Stan and Jan Berenstain introduced the first Berenstain Bears books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005 and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

Love this book. It's a good way to show kids just because someone is different from them doesn't mean they are weird or can't be a friend. I love that I can read my nephews a book with an important lesson it in, and but to them it's just a fun book.

The Berenstain Bears books are some of my grandsons' favorites. They ask for them to be read

over and over!
