Customer Reviews

Jennifer Bassett is Series Editor of the Oxford Bookworms Collection, for which she has written original stories *One-Way Ticket* and *The President's Murderer*.

The book is OK, but is written sort of as a short outline of Karen's story, and good for that purpose, but not for anyone wanting to review all the details of Karen's life and happenings prior to her death.

The book is good for a 4th grade book review. I bought it thinking it was much more entailed. My bad....should've known as it said Scholastic:) there isn't too much detail. Again, good for children.
