Their exclusive online database contains the best mailing address, agent, manager, publicist, attorney, production company and charitable cause(s) for over 67,300 celebrities and public figures worldwide.

It is an amazing book. It was the 2013 issue so it did not have Stephen Curry !! --big Warriors star--nor did it have Dr. Ben Carson, but U can get that from the internet--sort of. I bought it mainly for celebrity athletes and it was good. It is also laid out very nicely--an enormous contrast to one I returned earlier.

Amazing Book I liked everything about it This book is very handy purchase it now I highly recommend it Priceless

This was exactly what I was after and it will help me in my hobby of celebrity autographs thanks you very much

The only book to have if you write celebrities. I have had great success with it on getting responses and pictures

Still a useful tool but I do know that you have some old addy's still in there. Especially regarding the Van Patten Family. Only one addy for Dick is correct.

This book was truly amazing. With the help of this book, I've been able to contact people I've always dreamed of meeting. Guys like Leo Howard and John Cena and the Sprouse Brothers. This is totally

worth buying and I recommend this for whoever wants to get in touch with their dream actor or actress. This book is AWESOME. The best thing I've ever bought.

Mailed out 12 letters and already have received 3 back with bad addresses.....not good. Wish was more up to date.

To early to tell but had a reasonable read through the names and contacts and the book looks a thorough resource for contacting important people
