## Customer Reviews

As we are heading to Bumuda in September with family and grandchildren wanted to get a feel of the place before arriving it has been good with insight into the country it's history what to do, and approximate costings on some activities.will take it with us when we go

My wife and I have been to Bermuda five times but were taking two of our grown children. I felt they would enjoy selecting what they would enjoy doing there. The Insight Guides were accurate and very visual.
