Tel Aviv Walks

Synopsis

Tel Aviv is not only an amazing city; its history reads like a thriller. The sand dunes and the swamps are gone, but history is all around wherever you go; the Ottomans, the International Style architecture, the Templersâ |you cannot escape. The extraordinary past and vibrating present can be easily explored through city walks, sightseeing by bus and guided walks, which are offered for free by the municipality. On all walks you will come by many restaurants and cafÃ©s, so you can interrupt your walk at any time and take life easy. Please note: these walks are included in the book "Tel Aviv Retro Guide".
