## Customer Reviews

Dr. David Thompson is eminently qualified to lead the reader step by step into a life-changing study of God's Word. He has been a pastor as well as a teacher. He has dealt with people of varying backgrounds and abilities. He has been successful in leading people into the kind of "Bible study that works." --Robert A. Traina, Foreword

David L. Thompson is professor of biblical studies at Asbury Theological Seminary in Wilmore, KY. His other books include *Who Can Forgive Sins?*

Very good. One of my friends is already using it in her class.

an excellent tool to use personally and to teach from

This book is very like the method learned at the missionary school I attended with the Agape Force, so kept remembering bits of the teaching sessions. Never read a single verse of the Bible if you want to understand it. Instead read the whole paragraph the verse is in, or chapter, or if need be,

whole book to get the context. Check the style written in: prose, poetry, parable etc. Ask nosy questions: Who? What? How? When? Where? Why? And So what does that do with me? Find major points first, then minors. What was the author's intent to the original readers? Jesus is the answer. So how does it connect to Him? Local vs. Universal. Personal vs., mechanical. Liberty vs. legalism. Faith (trust in God) vs. works. Holy love vs. everything. Go with what you understand, not with what you don't. How to use study guides and resources. Study all the verses on a subject, not just proof texts.

Good read

More foundation to understand the scriptures, this book will give you the questions you need to ask when preparing a Bible study.

Purchased this book to use in a biblical studies class. It's a nice little 'step-by-step' guide to reading and in-depth studying of the Bible.

Invaluable for study the Word of God. I needed it for a writing class, and is very helpful and needed. Great.

Great book to learn and gain Bible study skills.
