Golf Handbook For Women: The Complete Guide To Improving Your Game

Synopsis

The Golf Handbook for Women takes you through every aspect of golf, whether you are just starting out or want to raise your game to a new level. Movements and shots are carefully detailed, using photographs and illustrations, with helpful suggestions on how to ensure you'll hit your best shot every time. In *The Golf Handbook for Women*, you'll find information on:

- Choosing and using equipment that's right for you
- Developing good habits from the start
- Knowing which shot to play in various situations
- Judging distance and aiming well
- Reading greens
- Correcting common mistakes
- Getting out of trouble shots
- Conquering fears and being positive
- Finding strategies for strokeplay and matchplay
- Deciding what to do--and not do--on a course
- Enjoying the game to the fullest!

Vivien Saunders was the first European woman to qualify for the U.S. Tour and was British Ladies Open Champion in 1977. An authority on golf in general and on women's golf in particular, she owns two golf courses and is renowned for her teaching methods. She has written ten books, including *The Golf Handbook*, which has been translated into twelve languages.

Women strengths in golf are different from men. That's why I was looking for a golf book just for women. I was so happy when I found this book. This is a good book for women learning to play golf or if you want more information about clubs or certain shots, like chipping. This book covers what clubs/irons do and the yardage you can get from each one. It also covers shots from the tee to putting. It even goes over reading the green. I enjoyed the book. After telling my husband the book said that some women find the 7 club easier to hit than the 3 iron and it will give you the same distance he brought me one. I'll be trying it out this weekend. See you on the links.

My wife likes it. Book is like new. Easy to understand.

A good reference for me - if I could apply it all.

Extremely helpful for all aspects of learning golf. Take a lesson and then the same directions are here in the book. Great photos of form.

I ordered this book as I write on a web site where I am the golf editor. I love to review books like this for new golfers. It was one of the best. Letta Meinen

Excellent, thank you!

This was recommended to me by a woman golf pro at our local golf course. It is easy to read and the pictures are very helpful.

The BEST guide to golf I have ever owned. I read it over and over and get better and better!!!!
