CANDLES WITH CHRIS: Simplified EBook For Making Professional Looking Candles For Beginners

Synopsis

Ever tried to make candles and gave up because you don't have the right information? Maybe, you currently make candles but you have difficulties selling them? Tired of the frosting in your finished candles? Wondering why you can't get into local stores to sell your candles? There is HOPE! This eBook will give you the best simplified steps in making quality, professional looking candles every time. It will guide you on how to create custom logo, eye-catching labels for your finished candles and where to get great looking jars. You will also learn easy ways to go about getting your candles on the shelves of your local stores. Free tools are also included in this eBook that will help you with color and fragrance combination, long lists of color suggestions for different fragrance. This eBook also comes with an additional software to use to calculate daily sales of your candles. You can use it to know how much you are making on a daily basis. Free as a complimentary gift. If you need this gift please email me at candleswithchris@gmail.com. I have poured out many successful years of candle making into this eBook. As long as you follow the steps and direction in this eBook, you will see a remarkable difference in your candle making skills. The professional looking candles you will produce will even blow your mind. Your candles can compete easily with other top name brands out there. Inside, you will also find my personal secret on how I got my candles in my local stores. I included a proven format of an official proposal to store managers, on how to add your candles to their shelves. I know you will love this eBook as many have, whether a beginner or a profession in this industry. All your worries about candle making has come to an end. Take action today and see for yourself how easy it is to create professional looking candles every time.
