A+++++

Been waiting for this book (1 of 4) to come out in publication since I first ran into the author, Phil Stagg, at Alder falls in Big Bay Michigan. His knowledge of Michigan waterfalls is the most contemporary to date. Phil had covered more ground and water to find many unknown and unnamed waterfalls in the U.P. I know people who have helped him along on his adventure to bring this information to all of us. I cannot wait for the remaining books to be published. These are not coffee table books as they are designed to be brought along on your hike to guide you to the waterfalls.

Have visited some of the falls in the Munising area in the past. This is a great guide to find many other hidden treasures in the U.P. With all of the details on roads, difficulty of access, time needed and the ratings, we will be able to maximize our time in the area. Good job Staggs!!
