Dear Reader,Get ready to have the hottest time of your life with the sizzling duo of newspaper editor

Jamie Swift and mysterious millionaire Max Holt. My good friend Charlotte Hughes and I set out to create a whole new world, separate from my Stephanie Plum novels, yet inhabited by the same kind of zany, hilarious, and totally unique characters that we love. There's never a dull moment for the residents of Beaumont, South Carolina. Lately, a heat wave's spiked the mercury-and everyone's sex drive! These days, when Jamie runs into Max, it's all she can do not to tear his clothes off-and the feeling is mutual. But trouble seems to follow Max like moths to a flame, and Jamie suspects he's all wrong for her. Meanwhile, the lingerie shop is having a sale on edible underwear, while the bakery's selling aphrodisiac-laced brownies and x-rated birthday cakes. Even Jamie's dog, Fleas, is dodging passes from the amorous French poodle next door! But when someone starts bumping off some of the town's more annoying citizens, all clues lead straight to the new personals section in Jamie's newspaper. Pretty soon, things are getting hot and heavy, as Max and Jamie start uncovering secrets-and undressing each other...So settle in with a tall, cool drink, and have fun with Full Blast. We'll be back soon, with another steamy romantic adventure featuring Jamie and Max. Happy reading!

Janet and Charlotte "Two very powerful authors who are both extremely skilled at creating books bursting with action, adventure and amusement, have paired up to create another fast-paced, wacky novel filled with eccentric characters and southern ambience." -The Road to Romance on Full Tilt --This text refers to an out of print or unavailable edition of this title.

If you are expecting something along the lines of the Stephanie Plum series (which I adore), you will be sorely disappointed. No edge or sass to these books whatsoever. Characters are boring and one-dimensional. Sorry that I bought them.

Lived this one! Less typos than usual or I was so involved in the story I didn't notice. Looking forward to the next one.

Excellent series by my favorite author. They will all Keep you laughing and wondering all the way to the end!

This suspenseful book was difficult to put down. The characters are interesting, well defined and believable. I highly recommend this book.

I purchased the Full Series which includes a total of 6 books. I am a fan of Janet Evanovich, Charlotte Hughes These books were a blast to read. Thank You Ladies

great

I was very disappointed in this book. The one preceding it was delightful. I couldn't wait to read the entire series. But I will read no further. This book went too far in its emphasis on "sexy" lingerie; cakes in the shape of women's breasts; grownup women obsessed with small sizes (who became pregnant) who sounded like 8-yr-olds when they didn't like something; a "psychic," with a silent ghost partner; and other distractions from an otherwise readable story.

Loved it
