What's So Funny About Getting Old

Synopsis

One bonus of getting older is that it gives us a great perspective on life ...and that includes plenty of humor! This collection of cartoons, quips, quotes, and insights introduces a new comedy genre: elderhumor. It captures the wry hilarity of our real-life sitcoms. Generational vocabulary gaps, miscommunications, preoccupation with health and comforts, foibles, disguises (for aging), even physical limitations -- all can have their funny sides when we're laughing at ourselves. One bonus of getting older is that it gives us a great perspective on life ...and that includes plenty of humor! This collection of cartoons, quips, quotes, and insights introduces a new comedy genre: elderhumor. It captures the wry hilarity of our real-life sitcoms. Generational vocabulary gaps, miscommunications, preoccupation with health and comforts, foibles, disguises (for aging), even physical limitations -- all can have their funny sides when we're laughing at ourselves. This book, a light-hearted gift for anyone who's 50-plus, is a memoryjogger too. Remember the Katzenjammer Kids? Jack Armstrong? Apple Mary? Check out your friends' ages by their responses to a "Vanishing Words" test (examples: "spider," "broomstick skirt," "running board," "the shag"). If you're still calling the refrigerator an "icebox," it's a giveaway -- you're probably over 60. *What's So Funny about Getting Old?* is brought to you by a comedy team of two. Ed Fischer is an award-winning cartoonist. Jane Thomas Noland, author of *Laugh It Off* (what's so funny about trying to lose weight?) is a books editor and a former Minneapolis Star Tribune feature writer. Both have delicious ways of looking at life. Both, like all the rest of us, are getting older. Laughter heals. Laughter helps. Laughter keeps us in shape emotionally and physically. Read this book and try it. You'll be convinced, as these authors are, that there's only one way to grow older -- with a healthy sense of humor!

Customer Reviews

Ed Fischer is an independent editorial cartoonist and is syndicated in 90 newspapers. His cartoons have been reprinted in Time, Newsweek magazines, the New Yorker and in the World Book Encyclopedia, as well as many textbooks, newsletters and other publications.

There are many good jokes about growing old, in this book "some old, some new. Aging is not much fun, but tapping into one's sense of humor helps. This book is worth the price, but does not rise to the level of humor that is highly memorable.

Not that funny, the quotes and samples online were the funniest. The rest of the book was more about "you had to be there" kind of jokes. Maybe I am just too young for this.

Great laughs in this book. Used this for a fun party with friends my age and laughed until we cried.

MY OLDER BROTHER, THAT I SENT IT TOO, SAID IT IS FUNNIER THAN SH**T!

All's well.

Gift for my Mother.

I used to love reading these. I didn't find the anecdotes quite as funny in this addiction. Could it be that I'm getting older and it's not so funny any longer? But, I have read better versions of these kind of books.

love this book about older couples and what they say any were. i say people should buy this book for the laughs. it is a great getting old book. that is me now so i loved it.
