Age Range: 9 and up

Grade Level: 4 and up

## Customer Reviews

Gorgeous book, lovely illustrations, of course as an Artist, I LOVE it. xxx

My Grand daughter loves the ballet story fairy tales. The music CD is an extra perk.

Wonderful book, but hard to find with the music CD, so I was delighted to find that this seller had it, and in the edition I wanted. Even better, the book and CD were in perfect condition, still in the original plastic wrap. The price was very fair, less than I expected, and the delivery was fast. I will look for this seller again!

I got this because I have taken ballet for 3 years and don't know a lot of classic ballet stories. This was beautifully illustrated and explained a lot. Plus I got it for 5 BUCKS! How can you go wrong?

I received the ballet book with cd promptly. It was a gift for my visit to my granddaughter age 9. She was very pleased and looks forward to reading about the different ballets and hearing the music. I saw the book at the library and decided to buy it for her. Good job.

I haven't given this book on Ballet to my granddaughter yet but I think it is the best book of its type on the market. It has something for every age group.

More ballet books for my daughter. I had read this in my school library and knew that she had to have it.

I bought this book for my niece for Christmas, she loves ballet but doesn't really know the stories, so it's an ideal gift. Thank you very much.
