# The Real Facts About Ethiopia

## Synopsis

2015 Reprint of 1936 Edition. Full Facsimile of the original edition. Not reproduced with Optical Recognition Software. J. A. Rogers was a Jamaican-American author, journalist, and historian who contributed to the history of Africa and the African diaspora, especially the history of African Americans in the United States. His research spanned the academic fields of history, sociology and anthropology. He challenged prevailing ideas about race, demonstrated the connections between civilizations, and traced African achievements. He was one of the greatest popularizers of African history in the 20th century. The Italian invasion of Ethiopia in 1935 inspired grass roots political activism in black America and is the background to this pamphlet. Rogers's text critiques the nature of race under colonialism by illustrating how state boundaries and racial categories are coordinate, strategic operations of colonial power. In many respects it functions as any early statement of anti-colonialism from the black perspective.

## Book Information

Paperback: 38 pages

Publisher: Martino Fine Books (July 27, 2015)

Language: English

ISBN-10: 1614278539

ISBN-13: 978-1614278535

Product Dimensions: 6.1 x 0.1 x 9.2 inches

## Customer Reviews

I cannot wait to read this book. The author is becoming one of my favorites because I can tell that he has actually explored each topic before compiling it into a book.

Great product and service.

Great book.

Great Book.

I choose this rating for this book. I think J.A. Rogers did a profound job explain the history behind Ethiopia roots from the dark history until now. It also explains the effects of greed and enemy behind politics and religion to control the masses of people. Melanted people need to awake out of the sleep, that has kept us blinded for years.

Very interesting book

WOW!! only 34 pages but what a powerful educational read. I highly recommend all of his books.

I bought these books for my husband. We are a mixed couple and I have always stood up for our Black Citizens in this country since I was 16 yrs. of age. I have even been fired because of my beliefs and because I spoke out.
