The Good Master: The Full Trilogy

Synopsis

Darla was one of the few live-in submissives that he'd come to love. Twenty years his junior, she'd finished her course work and the exams for her PhD, then took a leave from NYU without writing the dissertation. For several years, he'd let her hide in his penthouse: cared for and indulged, disciplined and educated, petted and punished. He'd lost Darla, or - more accurately - set her free, to pursue the life she was meant to pursue, to be the person she was meant to be. That loss had hurt, but it had been the right thing to do. Some time later, she'd sent him a gift, a young submissive she'd named Grace. Damaged and vulnerable, Grace needed help, discipline and control, attention and compassion, healing from the kinds of abuse that often finds natural submissives. In short - she needed a good master. Being a dominant doesn't mean that you don't have obligations. He took Grace in. He provided her with the menu of nurturance and punishment that she so desperately needed. He taught her to understand herself - her needs and desires, her strengths and her vulnerabilities, her blind spots and her personal history. Almost 20 years younger than the Master - like Darla - Grace isn't really suited to being a long-term lover or companion. Does that mean he's doomed himself to a kind of serial monogamy, a string of younger submissives, an ongoing "catch and release" program? Or is it time that he found someone his own age to play with?

Book Information

Audible Audio Edition

Listening Length: 1 hour and 49 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Wordwooze Publishing

Audible.com Release Date: August 23, 2017

Language: English

ASIN: B074ZNZ3S3

Best Sellers Rank: #155 in Books > Audible Audiobooks > Fiction & Literature > Erotica #4630 in Books > Literature & Fiction > Erotica #47989 in Books > Romance

Customer Reviews

The Good Master is an intriguing memoir-like story detailing key events during a several-year span in a middle-aged dom's life. While nearly the entire story has to do with D/s relationships, there's very little activity of an erotic nature depicted, so this probably won't appeal to readers looking for masturbation fodder. Indeed, this is a cerebral, thoughtful and literate tale

meant for readers who enjoy originality and substance in the kinky books that they read.
