Your Words Hold A Miracle: The Power Of Speaking God's Word

Synopsis

At some point in every person's life, we will need a miracle from God. It may be for us, a family member, or a troubled child. It might be a mountain of family or financial trouble, or some unseen force that fills us with fear. The late John Osteen has good news for us. We can have a miracle from God, for God is a miracle worker. And He has recorded many of His miracles in His Word, the Bible.

Rather than running around searching for needed miracles, Osteen shows us how to put the power of God's Word into daily practice. When we agree with, believe in, and confess the Word of God, miracles reveal themselves.

The late John Osteen served as a pastor, evangelist, author, and teacher for 60 years. He founded the Lakewood Church in Houston, Texas in 1959, and hosted the weekly "John Osteen" television program for 16 years, reaching millions in the U.S. and extending to 100 countries. He also traveled extensively throughout the world, taking the message of God's love, healing, and power to people of all nations.

I read from this book just about every day. It is really that good. Reading the book, I find John making two major points: 1. 'They are God's words. God has breathed life into them ... take these God-breathed words and declare them, miracles come to pass!' (p. 55) 2. 'If you don't think this spiritual law of speaking God's Word works, try it in reverse. That's what most people do anyway.' (p. 61). And, John can point to at least 2 miracles in

his own life as evidence. Also, John will hardly let a page go by without quoting the Bible as the source of his teaching as well as giving credit to the Holy Spirit for inspiring (breathing into) him. I discovered John Osteen after reading Joel Osteen. John is Joel's father and is the founder of Lakewood Church. This book has been reprinted by Joel Osteen and each chapter has a commentary from Joel. I love Joel's work. I like John's better -- if that is at all possible. If you liked Joel Osteen's "I Declare" or any other Joel Osteen book for that matter, then I highly recommend this book to you. I believe that you will find, as I did, that John Osteen's works are the source that Joel draws upon and very much worth reading.

WOW!! What a title and it speaks the truth. Reading this book has brought an enlightenment to my life that words can't express. I can truly say that my home has peace, my relationship is strong, my finance has turned to the better, my child is having an abundant life, all because I speak the word of GOD in my life through scriptures. I'm a witness that it does work. In the last month I purchased this book for my kindle. I tell you that every morning and evening I read a scripture where I left off or refer back to a highlighted area. You can't get enough of the book. Thank You. May GOD BLESS the Osteen family.

With all the negativeness in this world we make sure to feed our bodies but what about our SPIRIT. Joel Osteen is the only pastor I have come in contact with that truly feeds my spirit. His books and sermons are so inspirational and nurturing to the soul, this book puts a light bulb in your head and you ask yourself why have I been so negative with life. This book shows you how to speak promise and life in your home, business, for your family and especially for yourself. I will read it until I can memorize every word. This book was life changing for me.

This book has really brought a lot of clarity into so many experiences in my life in the last 3 years. I again feel inspired by this book and recommend it to those longing to reach out for the word of God and find understanding.

This book takes biblical words (the word of God) and gives powerful prayer which enhances courage and confidence. I have sent this book to my children. I believe in claiming God's word and putting it to work in your life. I feel sure that John Osteen was filled with and influenced by the Spirit of God when writing this masterpiece. I am grateful that I was led to purchase it. It's a 5 star!

outstanding

I bought the book and the audio book on cd. I have listened to it over and over again. And I'm also reading the book and using a highlighter for the parts that especially encourage me and remind me of God's goodness and faithfulness to His children. What a treasure it has been for me. We so easily forget the power in our words...for good and for bad. I am very thankful that John Osteen wrote this and also, the book titled, "Becoming a Man of Unwavering Faith". (recently received this audiobook on cd, too!) I highly recommend both of these books for anyone interested in being refreshed, and reminded of some vital, basic principles in God's Word.

This book reminds us God's love and all of God's promises to us. There is so much power in our words and in our thoughts. The first 6 chapters were a little dry and hard to read but the last six chapters speaking on the declaration of God's promises were excellent read.
