AUTHORITY, THE BOYS, WAR STORIES, PRIDE AND JOY, ALL-STAR SECTION EIGHT and amongst many other titles.

This is an amazing Absolute edition worthy of the format! It's a bloody perfect work of art! The Absolute Preacher edition is definitely hands down the best of the several different titles of Absolute editions that I own. The box art by Glenn Fabry instantly grabs you. Once the seal is broken and the book is removed you're rewarded with an inlaid beautiful faux leather bound book collecting issues 1 - 26. Bonus features include the Gone to Texas letters pages from issues 1 - 26, the pin ups from issue 50, and the full script from issue 11. Also features a new forward by Seth Rogen and Evan Goldberg. Don't miss this edition if you're a fan of Preacher or looking to join the Congregation!

Just received this in the mail yesterday and it is by far the best absolute edition of any comic that I currently own. The slipcase is absolutely beautiful the book's spine and face are as well with the gold design. If you have never read Preacher and want to find an out of bounds comic that comes collected in a beautiful case this is the perfect book for you but let me warn you it is extremely graphic and not recommended for younger readers.

An absolutely amazing collection. The outer case itself is cool, but it's the book itself that's really breathtaking in its detail. Highly recommended for any fan of Preacher. And for new readers, this is the way to enjoy it for the first time as well.

High quality, nicely done a great amount of effort went into saving this series for posterity.

Brilliant illustrations. Husband absolutely loved this oversized book :)

An incredible book, a must have for collectors. The book is huge, weighs like 25lbs, very heavy for a book, but that's a good thing. Can't wait for volume 2.

Excellent! I am waiting for Vol 2!

speedy delivery, great price!!!
