# Voices Of Freedom: A Documentary History (Third Edition) (Vol. 2)

## Synopsis

The Third Edition of *Voices of Freedom* includes documents reflecting the global dimension of American history and remains a comprehensive collection that offers a diverse gathering of authors and a wide breadth of opinion. An invaluable supplement to the text, all the primary source documents address the theme of American freedom in its many dimensions. It is a compact, unimposing collection, with documents of reasonable length. Each primary source is accompanied by a headnote and critical thinking questions written by Eric Foner. New selections in the Third Edition, approximately 15 percent of the total, reflect the global theme in *Give Me Liberty!* These additional readings place American history more fully in a global context. The Third Edition also includes more documents per chapter, but cuts back on the length of the headnotes. The new edition remains the same size as the Second Edition and is a perfect length for packaging.

## Book Information

Series: *Voices of Freedom*

Shipping Weight: 13.6 ounces

Average Customer Review: 4.5 out of 5 stars 29 customer reviews

Best Sellers Rank: #64,527 in Books (See Top 100 in Books) #44 in [Books > Textbooks > Social Sciences > Political Science > Civil Rights](#) #170 in [Books > Politics & Social Sciences > Politics & Government > Specific Topics > Civil Rights & Liberties](#) #568 in [Books > Textbooks > Humanities > History > United States](#)

## Customer Reviews

Eric Foner is the preeminent historian of his generation, highly respected by historians of every stripe—whether they specialize in political history or social history. His books have won the top awards in the profession, and he has been president of both major history organizations: the American Historical Association and the Organization of American Historians. He has worked on every detail of *Give Me Liberty!*, which displays all of his trademark strengths as a scholar, teacher, and writer. A specialist on the Civil War/Reconstruction period, he regularly teaches the

nineteenth-century survey at Columbia University, where he is DeWitt Clinton Professor of History. In 2011, Foner's *The Fiery Trial: Abraham Lincoln and American Slavery* won the Pulitzer Prize in History, the Bancroft Prize, and the Lincoln Prize.

A collection of primary sources for US History. For those who don't understand the significance of primary sources, I'll break it down for you: When you read a text book a lot of it is commentary and opinions based off of primary sources like these. By reading and evaluating these original scriptures, you can come across with your own viewpoint on the events that took place, and that base knowledge is essential for all people. However, its especially valuable to those who plan on becoming bonafide historians. When you can say to your colleagues "I have a deferring opinion" its because you understand the context that surrounds these original scriptures.

Eric Foner delivers once again in this captivating compilation of historical sources putting the reader directly in first person perspective in *Modern History*.

Very useful collection of primary sources for teachers. Wouldn't recommend just reading it for fun, though.

I am reading this book for a history course. I thought it was going to be just another boring, dry textbook but I actually find the stories and documents in this book very informative and interesting.

The book offers an in-depth look into the minds of American figures in history. It already reads between the lines so you don't have to.

Hated the course. Hated the book.

This book made American history so interesting. Also unbiased....the author did an exceptional job

Eric Foner delivers once again in this captivating compilation of historical sources putting the reader directly in first person perspective in *Modern History*.
