The Ultimate Guide To Tarot Card Meanings

Synopsis

FULLY REVISED BOOK NOW AVAILABLE: Following feedback from our customers, we have completely updated and revised the paperback book. The book now features an easy-to-read font, a simplified page design, and high resolution images. Thank-you for your patience! We're 100% dedicated to making it right! Ever wished you could have instant access to all the Tarot card meanings for nearly every type of reading . . . Love, career, spirituality and much, much more? Finally! Here's a fresh, modern, practical guide to the meanings of every Tarot card (upright and reversed) without the fluff . . . that's easy to use, too! "THE ONLY GUIDE TO TAROT CARD MEANINGS YOU'LL EVER NEED" Brigit Esselmont, Founder of Biddy Tarot (the #1 Tarot card meanings website online), shares her most comprehensive guide to the Tarot cards yet! The Ultimate Guide to Tarot Card Meanings has everything you need to read the Tarot cards like an expert. Just imagine all the Tarot card meanings you could ever want, right at your fingertips in this ultimate reference guide. You'll never need to buy another book on the Tarot card meanings again!! Inside The Ultimate Guide to Tarot Card Meanings, you'll find: Comprehensive upright and reversed Tarot card meanings to help you interpret the cards like an expert. Images and detailed descriptions of the 78 Rider-Waite Tarot cards to understand their deeper symbolism and significance. Quick reference keyword charts for each Tarot card (including upright and reversed cards) to turbo-charge your learning. Tarot card meanings for everyday situations including detailed card interpretations for relationships, career, work, finances, spirituality, personality, health, and well-being. Suggested Tarot card combinations and what they mean in a reading Inspiring quotes to increase your conceptual understanding of each card. Why waste time and money on outdated and confusing Tarot books when you can get the most relevant, modern and useful guide to Tarot card meanings you'll ever need in The Ultimate Guide to Tarot Card Meanings. "This is the most complete, comprehensive and informative book on Tarot I know." Inge Brust "The Guide is a complete lesson in reading, explaining, and simplifying the 78 cards of the Tarot. It is probably the best learning tool and reference book on the Tarot I have ever seen." Robert Neal "I am in complete awe of your book. It is truly The Ultimate Guide To Life not only for Tarot card meanings but also for delving into our lives, finding paths to more enriching lives, seeking answers, and so much more." Cheryl Janzen The paperback book is available with a soft, colour cover and black & white interior.

Customer Reviews

Brigit Esselmont is known worldwide as a professional Tarot reader & teacher, intuitive business coach, and spiritual entrepreneur. She is the Founder of Bidly Tarot (www.bidlytarot.com) and inspires over four million people each year to live more mindful and enlightened lives, using the Tarot as a guide. A self-confessed Tarot lover, Brigit can't help but spread the love to other Tarot enthusiasts. She is the author of two popular Tarot guides and has taught over 1,200 students to read Tarot with confidence. Brigit is also a successful intuitive entrepreneur and business coach, helping heart-centered professionals build business empires that are aligned with their soul purpose. Brigit believes anyone can read Tarot. She doesn't own a crystal ball nor a crushed velvet dress. She's simply a down-to-earth, practical Taurus who likes to use the Tarot cards in everyday life. When she's not reading Tarot, Brigit loves spending time with her two daughters and husband on the Sunshine Coast in Australia.

Let me begin this review by stating that I am a male. What males tend to do are buy the item and read the instructions when all else fails. I bought The Ultimate Guide to Tarot Card Meanings through Bidly Tarot and while I was waiting for it to be delivered, I decided to read the reviews on the book. Oh dear! The top reviews on the book were damning, to say the least, about the readability of the Font and Type-print and I thought, as Britney sang, Oops! I've done it again! So, when the book arrived on Thursday, I imagined all sorts of disappointment. However, to cut a long story short, the book was both readable and I personally find no issues with either the font or the type-face used. Now bear in mind That I am Scottish, over 60 (certainly not my speed) and half deaf, I decided on an early night to get to grips of the content of the book. Now the reviews I read, had issues with the printing quality of the book, yet none of those reviews had anything but high

praise for the content of the book. This book gives me an additional tool with which to work in developing my Tarot skills. One of the main things about it, from the beginning, is that it stresses that it is a Learning Resource, something to which I can refer in order to expand my interpretations and to perhaps clarify in some instances. The information shared is the result of many years of learning and practice by Bridget. She has chosen to share her experience in the form of The Ultimate Guide to Tarot Card Meanings. The content of this book is a wealth of knowledge – the keywords, the descriptions, the meanings, upright and reversed meanings etc. all there for advice and learning assistance. For me and I'm sure many others this book will take us closer to intuitive Tarot reading as a reference source. I don't imagine that I am the only person to have a readable copy of this book and I sympathise with anyone whose copy is less than perfect for them. I received an email from Bidy Tarot regarding these reported issues and I understand that these are in hand to rectify the problems. Luckily for me that does not apply. One further point regarding the issue of the illustrations being black and white. I consider it a non-issue as I have several different Tarot Packs and I personally would only be referring to this or any other book I have, whilst using the pack. I also find the flip-card downloads an extremely valuable resource, both Bidy's own words and the blank copies, which I have been filling in with my own words, sometimes they match more often not but the underlying interpretations are near enough to show that I'm in the right area. Tarot is a subjective entity and each reading, sometimes the same cards with different interpretations is what it is about – intuitively knowing these differences – this book, The Ultimate Guide to Tarot Card Meanings, is one very important resource that I will use along with access to the Bidy Tarot Website to aid me in becoming a more intuitive reader. Walter Smith Scotland

I absolutely love this book! It is my go-to reference. The writing style is easy to understand, and pleasant to read. I like that while it offers the traditional meanings of the cards, it does not say that this card means X and that is the only thing that it can mean. The book offers suggestions of how to read each card, but it also tells you that you also need to listen to your gut or intuition as you read. I feel like I have a friend looking over my shoulder helping me decipher the cards. The book has an in-depth discussion of each card, as well as offering suggestions as to what it means in different types of readings. A card might mean one thing if the reading was financial and another if the card shows up in a reading about spirituality. The book also presents several possible card combinations and a discussion of the meaning if the card is reversed. In addition to the individual card interpretations, the book also explains the overarching

meaning of each suit, and it provides a quick chart of key words for each card. The book also included a chapter discussing multiple ways to read reversed cards, one that discusses the numerology inherent in tarot and a guide to deciphering card combinations. I have both the print book and the e-book. The E-book is set up for ease of navigation when using Adobe, and I use it often. However, it can be a pain to power up my device every time that I need to look up a card. The print book may not be as pretty because it does not have color illustrations, but it is much more convenient to grab the book and thumb through the pages to find what I am looking for. I will continue to use both the print book and the E-book. I highly recommend it!

What an excellent tool! This book is designed for efficiency. The name of the cards are on the upper left hand corner to make the search fast and easy. Ms Esselmont shared her knowledge with the world free of charge for years on her website but sometimes searching online can be cumbersome, I'm grateful that this book is available.

A modern book of classic tarot meanings. Redesigned second printing came out immediately and corrected font and other design issues. The new go to tarot reference for beginners and those more experienced...there is always more to learn. Card combinations is a short section but is especially useful. Top shelf resource, trusted tarot brand, highly recommend.

I was notified that if I was not pleased with the pre-order book that was sent because of light font ..I would be sent a new book and able to return the first book to free...I took this offer and received the new book really glad I did ..the font is much darker...this was done at lightning speedkudos to Brigit and and her team for incredible customer service...the book is wonderful...clearly written and easily understandable...I for one cannot stand "filler" just give me the information I need and keep it simple...Thank you again for a wonderful experience....in business as in other parts of our life ..it is not IF things will go wrong ..it is WHEN...and how you handle it ALWAYS shows your true colors...and I am impressed with yours Ms.Esselmont.
