## Customer Reviews

workbook and audio activities

This is a great supplement to the textbook

I bought this to aid my son in his high school Spanish course. It goes well with the textbook, and gives him extra review. I think it will be very helpful to him when review for midterms and finals come around.

EXACTLY WHAT WE WANTED =)

This book did not come with any audio CD's.

This is perfect one I love this book Thanks

Great price. Son will use in school.

It is a traditional textbook. Those are generally lousy, but it is a required part of the class.

fun
