My hubby got me the Breville Pie Maker for my birthday in October along with three books on mini pies. Two of which I returned and purchased this book instead. This cookbook is very helpful when using the pie maker. The crust information is particularly helpful. Also, reading customer comments on line on trials of pie's they have attempted in the pie maker really helps. I love my pie maker so much and super glad I got the cookbook to make pie makin' easier.

It's great to make little pies in my electric pie maker. They are just the right size and oh so fun to make! I highly recommend it!

The book was not really that interesting. I got better recipes from Pinterest

It wasn't very helpful

it is a great asset to have. I own an electric pie maker so this came in especially handy for me. Great book!!!! Great service, speedy delivery. Thanks !!!! :D

Good book. Wish there were more sweet pie recipes

Fun book on making mini pies. Perfect for beginners. It keeps the recipes simple and gives good details with lots of pictures. There are recipes in the back of the book for most of the items that can be store bought like the pie crust. Personally I think this book is just plain fun and not really aimed at the serious cook.

I absolutely love the cookbook. A ton of recipes for the mini pie maker. Everything cooks in just 10 mins. Good to have with the mini pie maker. Easy recipes for desserts as well as dinners.
