Customer Reviews

Useless book - difficult to work with. I have deleted it from my Kindel and really would like a refund.

Great airplanes, pretty women, smart players, dangerous political foes, espionage and personal courage all wrapped up in a well thought action series. Hard to put down. Right up there with several other of Griffin's series.

pathetic

ok

It is a listing of publications

am now re-reading all his book! wish he would write more!

use it to buy series in order
