The Six Sisters Camille, Kristen, Elyse, Stephanie, Lauren, and Kendra grew up in Utah, but a few of them have lived in other parts of the country since moving out of the house. Between them there are five nieces and three nephews, and all of the sisters love playing aunt. The sisters started the blog in February 2011 to keep in touch while they were apart, but it has since gained popularity, garnering more than 9 million viewers per month and more than 307,000 followers on Pinterest.

I love this recipe book. All the recipes are easy and the ones I've tried are awesome. First time I've ever written a review on or about anything and I'm 73 years old, so you can tell how much I love this

book. Lots and lots of good recipes and ideas. Love it!

I absolutely love the Six Sisters' Stuff Cook Books. I bought this one for myself after receiving two others; one from my friend (Sweets and Treats) and the other one from my Son (A year with Six Sisters' Stuff) for Christmas I cannot wait until another holiday when I can put on my gift list the last one Six Sisters' Stuff. I have tried many of the recipes and they were delicious and easy. The books are wonderful.....I sit and read them like a novel. Recommended to all bakers and cooks.

This is the second "Six Sisters" book and I LOVE, LOVE, LOVE it. The first book was wonderful and the 12 days of Christmas is equally as wonderful. I received this as a gift for Christmas so I didn't have time to really try it out. After Christmas I went over each page and I can't wait to try out all the fun, creative and great things for this coming Christmas.

These gals have the most amazing recipes! Every home needs this cookbook (and their others) in there home. The recipes are delish adn easy to make. It would make a wonderful wedding gift or mothers day gift! I can't wait for their next one to come out!

Love all the wonderful ideas& the color pictures. Will be ordering more to give as gifts.

Wonderful for the season and also through the year. I feel that the ideas of course are tailored for the season but they can be used in instances through the year. The recipes looks wonderful. I had to try one almost as soon as the book arrived --the iced gingerbread bars are fabulous.

This is a wonderful book! Entertains just to look through from cover to cover- and the recipes I have made have been a hit! Especially the eggnog cookies and cinnamon almonds made in a crockpot! If you love Christmas, you will love this book!

there are a lot of great ideas crafts and recipes to try and to expand on. And will really enjoy it.
