Customer Reviews

It's adorable, all ages fun. If you want to read a comic that is light, amusing, and a kinder, gentler take on Gotham City, this is for you.

My 3rd grader enjoyed this book!

Good kids comic.

Could always use more Nightwing but still awesome. Even better than Vol. 1!

OMG- I can't say how much I love this book and the series. The New 52 BS has left me angry at DC, but this series makes me smile and reminds me why I still say I love DC.

Excellent art and expands into more obscure DC characters. Love the lighter tone and DC jokes. So much fun to read.
