# Racin' Hearts (Rodeo Girl Series Book 3)

## Synopsis

“Tell me I’m not crazy. That you feel this.” Hollis coughed. “I feel it. But I—” Worry lines formed on her forehead. He tightened his grip on her fingers even further. “But it’s so new,” he finished. “I don’t know what to do with it. It’s like I’m racing ahead, my heart in my hand, toward some unknown destination.”

-----The oldest of three brothers, Hollis Kane has waited the longest to make something of his life. When a free opportunity to train at the McCallon Rodeo School is offered to him, he jumps at the chance. This is what he’s waited for, his moment to prove himself and finally become someone. The presence of beautiful Sidney Thiessan seems to confirm his choice. Their natural attraction quickly forms a bond between them with the promise of more. Except things are not as they seem, and the real story behind his invitation is built on a stack of lies requiring too high a cost. Especially when the new love of his life goes missing.

Book 3 of 3 in the Rodeo Girl Series by best-selling author, SUZANNE D. WILLIAMS.

## Customer Reviews

RACIN’ HEARTS. By Suzanne Williams. Rodeo Girl series book 3 Hollis age 22 and no plans, he

wanted to enroll in a bull riding class. A problem would be Ava , she has plans, which aren't the best for him. She has a reputation , if he stays in the bunk house, of what happened to the others. Sydney warns him, his father tells him, that it affects them all. An offer, to learn, about bull riding, and be in the office, a job, a house of his own, was more than he could dream of. Sydney reminded him of his Mom, always thinking, an inner beauty and confidence. Soon, it became apparent that others things maybe on the agenda, and secrets. Hollis Dad refused an offer to being bought out, Ava still has her's even though he says no. Sydney is concerned, would Hollis bend to protect his father and the Kane name. For Hollis, his Dad told him to watch for the curve in the road, will he. or be thrown off. Hopefully the wisdom of his Mom, had been instilled deep within him. This is another good story following the others In this series. Choices, and chances in one life, when they are young to make. A good series that all will enjoy reading. This series was good, had a wealth of wisdom in them. Given ARC for my voluntary review and my honest opinion.

The third book in this series does not disappoint. This time it's the oldest son in the Kane family that is trying to find himself, He seizes an opportunity that seems too good to be true. And like everything in real life, if it seems too good to be true- it probably is. Ava has her sights set on Hollis, but he finds Ava's college roommate to be a much more desirable friend. That sets Ava to put evil for her roommate in motion. Hollis leaves when he finds out how he's been used and comes back home humbled, much like the prodigal son. Unfortunately for Ava- what goes around comes around, and too soon the whole house of lies come tumbling down. The old resentments between Hollis's and Ava's dad comes to light. It shows how hanging on to bitterness can only be destructive, and love even in the worst of circumstances can be healing. This book is a quick read and thoroughly enjoyable. I was given a copy of this book for my honest review.

I enjoyed this cool Rodeo Girl series thus far! A very clean reads ebook with a great biblical theme behind each one,too Therefore, I would like to recommend this especially for kids 12-18 and for five stars as well. I received this for free and in return, here is my honest review. Super Suzanne D.! By Angela
