Hebrews For Everyone (The New Testament For Everyone)

Synopsis

Writing in an approachable and anecdotal style, Tom Wright helps us to find our way around the letter to the Hebrews, one of the most challenging writings in the New Testament. He acknowledges that people often find it difficult, because some of the ideas it contains are strange to us. Yet, like meeting a new friend, Wright helps us to find Hebrews full of interest and delight, with a powerful message that comes home to the church of today and tomorrow just as much as it did to the church of yesterday. Tom Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion with background information, useful explanations and suggestions, and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study, or daily devotions.

Customer Reviews

"No other commentary series comes even close." --The Christian Century"Readers who have been frustrated by the lack of accessible biblical commentaries for laypersons will welcome the series." --Publishers Weekly"Well grounded in scholarship, accessible, and intensely contemporary. The series is a most welcome one!" --Walter Brueggemann, Emeritus, Columbia Theological

Seminary" Wright has accomplished a feat in this series. All the time, I tell Bible readers, 'Begin here!'" --Scot McKnight, North Park University

N. T. Wright is the Chair in New Testament and Early Christianity at the University of St. Andrews in Scotland. He is the former Bishop of Durham in the Church of England and is a prolific author and noted New Testament scholar. His books include *Scripture and the Authority of God*, *Surprised by Hope*, *Simply Christian*, and *Evil and the Justice of God*.

A great outline, simplifying some of the major themes of Hebrews. Accessible language, avoiding the academic mumble that so often surrounds commentary. Yet at the same time unwrapping words and themes that one would miss without an in-depth knowledge of context, language and issues. Years of study shine through as NTW brings forth truth in clarity, showing the simplicity is indeed a step above complexity. This would make a great devotional read over 41 days and give the reader a increased depth of understanding; A great love for what has been accomplished by Jesus; A real appreciation of the major themes of the New Testament being expressed in this great book. NTW writes personally and in an easy-to-read style.

I have not found anything N.T. Wright has written that I don't love. Deep, but not too deep. Great for anyone studying this book and wants it to come alive for them. Theologically, seems really sound as most things he writes.

Different from most commentaries, easier to understand. Excellent for the new Christian while still being a good resource for deeper study. Wright gives examples from daily life to illustrate main points. The fact he's British vs. American shows through in the nuances of his writing but it's not a big deterrent.

After reading Mark for Everyone and studying it in our Sunday school class we are looking forward to studying Hebrews For Everyone. I have taken the time to browse Hebrews and I am sure that we will not be disappointed. The order came sooner than expected and was in great shape. Everything was as ordered. I would suggest these books and your services to any one. Thank You.

Like the others in this series, it breaks each chapter into reasonably short (but not too short)

passages; each commentary is interesting, clear, devotional, informative; and just detailed enough to be helpful. I usually find the commentary to be fresh and aware of the OT context of the NT books, as well as of issues of social justice. (I have just read his commentary on James.)

This was a great book to help me really dive into the book of Hebrews. The glossary in the back was a great way to more fully understand terms that I thought I knew!

This is a great study help to go along with a Nav Press study I am doing in Hebrews.

Very helpful in understanding and teaching thorny issues in the book of Hebrews. I have a deeper appreciation of Jesus Christ and God's plan to rescue humankind.
