# Discovering The Boston Harbor Islands

## Synopsis

Discovering the Boston Harbor Islands is an indispensable guide to help you plan your island adventures. Explore military installations that protected Boston during wartime including Civil War era Fort Warren. Visit Boston Light on Little Brewster, site of the nation's oldest lighthouse. Kayak into the coves where pirates and bootleggers hid. Wander the woodlands and meadows that were the seasonal camps of Native Americans and the sites of Revolutionary skirmishes. Sail to the outer islands, find the best year-round fishing spots, and discover why the islands are a birders paradise. Take in a jazz concert, an antique baseball game, or simply hop from one island to the next to experience the stunning natural beauty of this most storied national park area.

## Customer Reviews

This is probably the best written guide to the relatively unknown Boston Harbor Islands. It provides comprehensive overviews to each island's unique history with clear maps as well as practical guides to exploring each island and things to do. It reads entertainingly enough to keep on the bookshelf for a light history lesson. At the same time, it's small and durably printed to keep on a boat and clearly indexed to pack summer activity tour guide.

A recently published book with updated information on the Boston Harbor Islands, their history, how to visit them, and what to see.
