Memphis - The Delaplaine 2015 Long Weekend Guide (Long Weekend Guides)

Synopsis

A complete guide for everything you need to experience a great Long Weekend in Memphis, whether you came to see Elvisâ€™s mansion at Graceland or soak in the Blues on Beale Street. Iâ€™d been to Nashville before, but never Memphis, so my wife and I decided to give it a try. We loved the town. Fred G, Tacoma I actually live in Memphis and bought this book as a joke. I found three restaurants Iâ€™d never even heard of. Archie, B., Wilmington You'll save a lot of time using this concise guide. Lodgings (in several parts of town) variously priced. Fine & budget restaurants, more than enough listings to give you a sense of the variety to be found. Principal attractions -- don't waste your precious time on the lesser ones. We've done all the work for you. A handful of interesting SHOPPING ideas.

Customer Reviews

This book is a total rip off. All of the information it contains is easily available from free sources. It is very short with extremely limited information. I strongly recommend that you do not purchase it.

Don't waste your money - just a lame collection of preferred vendors. I regret buying this - and even more I regret buying the other one from this author which covers Nashville. A single google search will provide more useful information than this lame piece. Don't make the same mistake I did.

it's okay... not exactly what I expected...thought it would be more helpful.
