## Customer Reviews

Sidsel is a proud Dane who's been cooking the food of her native land and culture most of her life. Here she shares recipes and stories of her Danish background and cuisine.

This is an awesome cookbook, it's in English and has US measurements, which you can't find anywhere...So if a couple of words are misspelled so what.....all the Danes don't care about that.I got my cookbook yesterday and I just love it....Sidsel did an awesome job.....the best recipes too...I would use it for presents too.....

Despite the fact that the author has a misspelling on the listing, the rest of the book is spot on. The recipes are clear and concisely written. (and I wasn't much better but have now corrected my own mistake.)
