# Dark Warrior Mine (The Children Of The Gods Paranormal Romance Series Book 7)

## Synopsis

"I read A LOT of paranormal romance and The a Children of the Gods has fast become my favorite series. I love how the author continues to grow and weave in the stories of the original characters like Syssi, Kian, Amanda and Andrew while developing the supporting characters. The stories keep you on edge, wanting to know more. The romance is hot and steamy and the mystery is just mysterious enough to keep you guessing. Will Syssi and Kian have children and start a new line, will her vision for Andrew come true, will Amanda find more dormants, is Nathalie one of them, will Bhathian find Eva and live immortally ever after, will Anandur find out what Alex is up to and find love on the way, and why is Brundar so grumpy? I can't wait to read book 8 and 9 to find out what happens with Andrew and Nathalie and eagerly hope she is working on Bhathian's story in books 10-12". "I am a HUGE fan of this series and read all of the books as quickly as possible, always eager for the next book in the series to come out. These stories have become a truly addicting read. The characters pull you right in and you're held right to the end. The cliff hanger at the end was a slight disappointment because all of the other books in the series are pretty much complete in the story line, but I don't mind as long as the next book in the series comes out shortly. I think any fan of the series won't mind at all." "Excellent series, I have enjoyed each book the story slips easily into each character a and you feel a connection between all storyline that makes the whole series." "love this story line! characters have human problems in a supernatural world . enough humans thorough out yo keep it interesting. can't wait for next one!!!!" "Loved the book and can't wait for the next one. You make the story just come alive, please keep them coming." "When Andrew is forced to retire from active duty, he believes that all he has to look forward to is a boring desk job. His glory days in special ops are over. But as it turns out, his thrill ride has just begun. Andrew discovers not only that immortals exist and have been manipulating global affairs since antiquity, but that he and his sister are rare possessors of the immortal genes. Problem is, Andrew might be too old to attempt the activation process. His sister, who is fourteen years his junior, barely makes it through the transition, so the odds of him coming out of it alive, let alone immortal, are slim. But fate may force his hand. Helping a friend find his long-lost daughter, Andrew finds a woman who's worth taking the risk for. Nathalie might be a Dormant, but the only way to find out for sure requires fangs and venom.

## Customer Reviews

>Book Review "Dark Warrior Mine">I am an independent reviewer. This book is the 7th in the Children of the Gods series and ends a little up in the air. Andrew is a dormant, who is still human. He is not sure he wants to turn immortal because he may not survive the process. His immortal friend, Bhathian, asks Andrew to help find a lost love. Andrew tracks down Bhathian's dormant/human daughter, Nathalie. Andrew and Nathalie have an instant attraction.>Finally, this series is back in the 5 star rating again. Bhathian is a unique immortal, with a love for his daughter. I do wonder why he suggested abortion to Nathalie's mother way back when. Procreating seems to be a goal of every immortal, even with humans. There is a lot of humor in this book. Bhathian attempting to be cheerful and the descriptions of that is hysterical. The new character, Jackson, is a young immortal with a quick wit and a huge personality. Andrew is fighting his alpha tendencies and listening in to his thoughts on how to woo someone is so cute. Nathalie is survivor. She hears voices in her head and feels like a freak as a result.>I love the relationship between Nathalie and Andrew. All of the scenes in the coffee shop are like a breath of fresh air. The enemies of the immortals are still setting up their lair, so no battles or threats occur in this story. There is a bit of suspense with the disappearance of Nathalie's mother. Hopefully Eva will be found in a future story. I'd like to see Bhathian get his HEA.>This book is appropriate for an adult audience. I am giving this book 5 stars.

I love the series, have read every book so far and love the passion, character development and story lines. I am not too fond of Natalie and Andrew and it seems the story starts weakening ( for me) at the point they were introduced. Throwing the father into the mix added a certain sad aspect to an otherwise exciting tale, perhaps because it hit too close to home having had to deal with the heart break of a father and father in law who suffered from dementia. otherwise this series has become a favorite and I cannot wait to read each book as soon as it is available.

I'm not usually a fan of fiction like this, but it was so enthralling and the concepts interesting and the plots mesmerising and the characters so interesting and fascinating and beautiful I was kept up night after night and kept downloading the next follow-up to what was going on. It's such a believable concept, while of course fantasy, but the two keep you believing and following what was going on and wanting MORE! I T Lucas has hit on something great! I want more! -- spent a fortune following all the follow-ups! But, I don't care. It was totally entertaining!

I'm seriously hooked on this series. Andrew and Nathalie are sweet together. Nathalie is a coffee shop owner and a baker and her life is taken over by running her small business and taking care of her father who suffers from dementia. Seems like she would have nothing in common with Andrew but the attraction is immediate.

By the time you get to this book in the series you are hooked. You know the characters well by now and can't wait to read where their stories go. Of course, there are more interesting characters introduced. The story flows well and doesn't disappoint. I found myself hoping certain parts wouldn't linger and they wouldn't. It kept me reading and reading.

Once again, this series is great. Anyone who likes ancient history, mythology and modern burdens of the world today will love these books. Ms Lucas is a master at weaving story lines that are pertinent to today as well as informative about the past!

I'm into the 9th book of the children of the gods. This series is addictive, memorable characters, great plot with lots of twists, and the steamy sex that is the hallmark of this series. I'll miss this series when I've completed it and definitely look for more by I.T. Lucas. Incredibly talented and interesting writer.

I loved this book! I bought the whole series! Can't wait for last one to come out.
