Customer Reviews

With its 1:10000 ratio, its lamination, its color, its folded-up measurements of onlt 3.5" x 5" and its opened-out ones of just 32' x 18", the map would seem to be what every tourist could wish for. BUT, for some reason, the cartographers opted to show too much of the upper part of town and not enough of the lower. Thus, we get more, of the Aussen Alster than most of us, excepting perhaps boaters and cyclists, could ever want but only part of Hafen City. A pity.

my hometown i've seen it once since the war
