Sheila Kennedy seemed to have it all, until she found herself the divorced mother of a teenager daughter struggling to make a living. Armed with strong faith and confidence at her core, she built a new life for herself. She credits the removal of her mask of false confidence as the catalyst for success in her coaching practice, the J29Project. Sheila began the J29 Project (www.j29project.com) to inspire and coach women with the skills and strategies she used to develop confidence at her core. Her signature P.O.W.E.R. Process is the foundation for helping women to live the life they deserve. Confidence Coach, Speaker and Co-author of the Best Selling book, *Wounded? Survive! Thrive!!! 101 Women's Journeys from Torment to Triumph*, Sheila is an advocate for women achieving an unshakable faith in themselves and all of the amazing opportunities that confidence can bring.

As a loving father of a beautiful 5 year old daughter, I've always felt it my responsibility to ensure that my daughter grow up with self-esteem and confidence. All too often, females have the unfortunate circumstances of being brought up in environments that do NOT reinforce their self-worth which results in the lack of confidence. To the contrary, it is all-to-common that young

girls and women grow up with outside influences that cause them to question themselves. It is sad, yet true. As such, I'm glad that Sheila has taken it upon herself to be the voice of many. To take a stand for the many women who may have forgotten their meaning, their place, their spot in this world. This concise yet compelling book is eye-opening and provides 5 (simple) KEYS to unlocking your P.O.W.E.R.: Personal Inventory, Open Communication, Well-Drawn Boundaries, Environments, and Reframing Your Choices. If you've ever sought to unlock the power of your own confidence, then this book is a good start!

Sheila's motto for faith and to her readers is Jeremiah 29:11 "For I know the plans I have for you, declared the Lord. "Plans to prosper you and not to harm you. AMEN & HALLELUJAH!!!

This book takes you on a journey of self-exploration and in the process helps you find hidden strengths that can be put into action immediately. The Five Keys of Power and their associated exercises are a valuable tool to help you gain clarity and a new perspective. A highly recommended addition to your self-development library!

faith, confidence and perseverance can overcome any obstacle. A clear and concise guide to unleashing potential and following dreams. A truly great author has emerged.
