# Obsidian Magic (Legacy Series Book 2)

## Synopsis

The only thing standing between me and death is my secret. I'm a Legacy—a secret I'd planned on taking to my grave. Gareth, the enigmatic leader of the Supernatural Guild, knows it, but can I trust him to keep it? When mysterious deaths occur as a result of magic that mimics my own, I no longer have to worry about Gareth exposing me—it will be one of my own that does. Another Legacy is causing the chaos, and I'm forced to hunt my own kind. It seems simple, but we've existed for as long as we have because we're better hunters than prey. I'm forced to work with Gareth to clear my name and find the Legacy responsible. Not only is my secret about to be revealed—so is his. Gareth is much more dangerous than I expected. Is he my friend or my enemy?

## Customer Reviews

Infuriating, exhausting, and heart pounding are just a few ways to describe this series. Just when you think you've got the whole thing figured out, another ingenious twist is thrown at you at

breakneck speeds...or slipped in slowly under your rib cage to clutch your heart with exquisite agony. I highly recommend this to anyone who enjoys reading any genre. It's full of fantasy, mystery, suspense, romance, drama and can be enjoyed by all.

I loved this book. It was engaging and intriguing. The storyline grabbed and kept my attention. The characters, especially the main female character Livy, were interesting. They feel real and so do their struggles. I would recommend this book to anyone.

I just finished reading Obsidian Magic, the second book in the Legacy Series by McKenzie Hunter. I really enjoyed the fast paced action packed story, the action was intense, but it didn't lose you in the storyline. The characters were well written and I liked the interaction between the characters. I look forward to seeing if a romantic relationship escalate between two couples in book 3 that can't really be called couples, yet. I can hardly wait for the next book.

Complicated. Read in order the series. Interesting new way to present witches. Were animals humans vampires and the like. I will be looking for the next book

It's a very fast paced book not much time for too many slow things to happen. It's always good against the bad guys. Pretty fun read

Another new (to me) author that has created a hard to put down tale. Can't wait to see where it goes from here.

Took a chance on the first one looking for something new to read. Took me a day to get totally wrapped up in it. I think Levy is an amazing character. I am a little bummed by the cliffhanger ending, but I guess sometimes those are a necessary tool of the trade. Can't wait for book three!!

It was fantastic. I loved reading so far both books and looking forward to the other one to come out. Please don't take too long to finish it.
